Warranty terms

Musterfeld Gartentechnik GmbH · Version 2026 · demo document

This manufacturer's warranty applies in addition to the statutory rights under the law of sale and does not restrict them.

1. Scope

For the warranty period stated on the product, Musterfeld Gartentechnik GmbH warrants the device to be free from defects in material and workmanship.

2. Duration

- “Precision 200” bypass pruning shears: 36 months from the date of purchase
- “HS 18” cordless hedge trimmer: 60 months from the date of purchase, battery 24 months
- “Soil Sense BT” soil moisture sensor: 36 months from the date of purchase, battery 24 months
- Galvanised watering can 10 l: 120 months against rusting through

3. Exclusions

- Wear parts such as blades, springs and cutter bars
- Damage caused by improper use, dropping or lack of care
- Repairs by unauthorised workshops

4. Making a claim

Claims are reported to the retailer or directly to the manufacturer together with the proof of purchase. After inspection the device is repaired or replaced.
